Self Introduction

Good morning, sir/madam. Thank you for giving me the opportunity to introduce myself.

My name is **Sowmya Gode**, and I am from **Rajam, Vizianagaram, Andhra Pradesh**. I am currently pursuing my **B.Tech in Computer Science and Engineering** from **GMR Institute of Technology**, with a **CGPA of 9.5**. Prior to that, I completed my **Diploma in Computer Engineering** from **Govt. Polytechnic for Women, Srikakulam**, securing **91.42%**, and my **SSC from Sri Chaitanya Techno School** with **99%**.

I have hands-on experience in **Content Management System** and have developed a project titled '**Customization & Configuration of Website for NSTL**'. Additionally, I gained practical exposure to **cloud computing and networking** through internships at **HashTek Solutions**. During this Internships, I worked on **AWS EC2 instances, VPC setup, subnet routing, and static website hosting**.

My key strengths include **problem-solving, adaptability, teamwork, and communication skills**. I also hold an **NPTEL Elite+Silver certification with Top 5% in Cloud Computing** and have published a research paper on '**Urban Area Classification Using Remote Sensing and Deep Learning**' in **IJPREMS**.

My short-term goal is to **begin my career in software development or cloud computing** with a reputed organization where I can apply my technical skills. In the long run, I aspire to **grow into a leadership role and contribute to innovative projects in the tech industry**.

Thank you for this opportunity. I look forward to the discussion and would be happy to answer any questions.
